

6 Sided Play Yard

PRODUCT CODE: [V6319](#)

Overview

http://www.valco.com.au/product/6_sided

Easy to assemble and a great play area for any location. This play yard comes with a complimentary six-sided play mat which neatly fits in the play yard.

This dynamic play yard can fit any sized location. The walls can be removed to make it four sided. If an additional 6 Sided Play Yard is purchased the two play yards can be connected together to make a giant play area for a party or creche.

Bonus Play Mat

Comes with a bonus Play Mat that fits neatly inside the Play Yard.
